[Verse 1 - Father]

```

      G          D          C          Am
It's not time to make a change, just relax and take it easy
      G          Em          Am          D
You're still young, that's your fault, there's so much you have to know
      G          D          C          Am
Find a girl, settle down, if you want, you can marry
      G          Em          Am          D
Look at me, I am old, but I'm happy
      G          D          C          Am
I was once like you are now, and I know that it's not easy
      G          Em          Am          D
To be calm when you've found something going on
      G          D          C          Am
But take your time, think a lot, why think of everything you've got
      G          Em          D          G
For you will still be here tomorrow, but your dreams may not

[Verse 2 - Son]

```

      G          Bm          C          Am
How can I try to explain? 'cause when I do he turns away again
      G          Em          Am          D
It's always been the same, same old story
      G          Bm          C          Am
From the moment I could talk I was ordered to listen
      G          Em          D          G
Now there's a way, and I know that I have to go away
      D          C          G
I know I have to go

[Verse 3 - Father]

```

      G          D          C          Am
It's not time to make a change, just sit down and take it slowly
      G          Em          Am          D
You're still young, that's your fault, there's so much you have to go through
      G          D          C          Am
Find a girl, settle down, if you want, you can marry
      G          Em          Am          D

```

Look at me, I am old, but I'm happy

[Verse 4 - Son]

 G Bm C Am
All the times that I've cried, keeping all the things I knew inside
 G Em Am D
It's hard, but it's harder to ignore it

If they were right, I'd agree, but it's them they know, not me
 G Em D G
Now there's a way, and I know that I have to go away
 D C G
I know I have to go
