

If You Believe

[Intro]

F C Em Am x2

[Verse]

F
I know it's not a game to play
C
Your eyes may show no fear
Em Am
I burn inside and can not wait to be.
F
The man that feels your body close
C
Is here to set you free
Em Am
To hold you near and satisfy your need.

F
You shiver as I touch your neck
C
And slowly close your eyes
Em Am
I can't resist you even if I try.
F
We both surrender to the touch
C
As we lay there side by side
Em Am
And everything around us disappear

[Chorus]

F C
If you believe in love tonight
Em Am
I'm gonna show you one more time
F C
If you believe and let it out
Em Am
No need to worry there's no doubt
F
If you believe
C
If you believe
Em Am
If you believe and let it out

[Verse]

F
As you run your fingers through my hair
C
Your lips come close to mine
Em Am
The tension becomes more than I can bear.
F
Then you wrap your arms around me
C
And I feel your every move
Em Am
This feeling could now lead us anywhere.
F
Now we leave this world behind us
C
This moment we will share
Em Am
Just you and me that's how it's meant to be.
F

I never wanted you so much
C
I feel your every breath
Em Am
As you gently whisper in my ear.

[Chorus]

F C
If you believe in love tonight
Em Am
I'm gonna show you one more time
F C
If you believe and let it out
Em Am
No need to worry there's no doubt
F
If you believe
C
If you believe
Em Am
If you believe and let it out

[Solo]

F C Em Am

[Chorus]

F C
If you believe in love tonight
Em Am
Oooh....
F C
If you believe in love tonight
Em Am
I'm gonna show you one more time
F C
If you believe and let it out
Em Am
No need to worry there's no doubt
F
If you believe
C Em
If you believe
