

Looking For The Summer

An all time classic, this one.

Chris Rea - Looking for the Summer

[Verse 1]

Am

Look deep into the April face

F

Dm

A change is clearly taking place

Em Am

Looking for the summer

Am

The eyes take on a certain gaze

F

Dm

And leave behind the springtime days

Em Am

Go looking for the summer

[Refrain]

C

G

This ain't no game of kiss and tell

Am

F

Dm

The implications how you knew so well

G

Am

Go looking for the summer

C

G

The time has come and they must go

Am

F

Dm

To play the passion out that haunts you so

G

Am

Looking for the summer

[Verse 2]

Am

Remember love how it was the same

F

Dm

We scratched and hurt each other's growing pains

Em

Am

We were looking for the summer

[Refrain]

C

G

And still I stand this very day

Am

F

With a burning wish to fly away

Dm Em Dm Em

Mhm....Mhm

Em Dm Em Am

I'm still looking, looking for the summer
